Each Beneficiary may have a maximum of 5 representatives in total attending, including the Beneficiary lead and, if applicable, representatives from third parties, to be selected at your discretion. It is also of paramount importance to have representation from the national networks and the specialty networks.

Please also note that all the travel and accommodation costs for the 5 participants of each institution should be covered by the allocated budget of that institution.

This notification will be circulated to all partner leads and partner cc – please inform your wider teams and third parties if relevant.
